PROFESSIONAL EXPERIENCE

Graphic Designer & UI/UX Designer *Oct 2025 – Present*

Next Frontier Labs — Lahore, Pakistan (Remote, part-time)

- Design the complete UI/UX for Utter Word, a mobile word game live on Google Play and the App Store and in active development: screen flows, icon design, store listing graphics and the game's landing page, all in Figma.
- Design the UI/UX and store listing assets (app icon, screenshots) for Perfect Circle, a mobile game live on Google Play with 100K+ downloads.
- Produce marketing visuals for the studio, including social media creatives and pitch/investor deck materials.
- Balance interface design across concurrent game projects with day-to-day brand and graphic design work.

Graphic Designer & Social Media Manager *Apr 2025 – Oct 2025*

Dant Al Omran Real Estate — Dubai, UAE

- Established the company's entire social media presence from scratch: strategy, branding guidelines and a structured content calendar across Instagram, TikTok and WhatsApp Business.
- Produced 30+ professional videos with voice-overs, branded graphics and motion elements for promotion, advertising and information.
- Designed on-brand posts, stories, reel covers and highlight icons that kept one consistent visual identity.
- Shot on-site photography and videography for property listings, open houses and corporate events.

Graphic Designer & Video Editor *Jan 2024 – May 2025*

Hampstead Homes Real Estate — Dubai, UAE

- Shot and edited property walk-through and lifestyle videos for luxury listings by Emaar, Azizi, Binghatti and Samana.
- Designed digital and print marketing collateral, including social media graphics, brochures and flyers, in the company's upscale brand style.
- Managed day-to-day posting and community engagement on Instagram and TikTok.
- Worked with the sales team to turn each listing's features into a visual story for its marketing.

Game Developer *Dec 2021 – Sep 2025*

Next Frontier Labs — Lahore, Pakistan — full-time Dec 2021 – Dec 2023, part-time/remote after

- Built gameplay mechanics, UI and physics in Unity (C#), including iPutt, a VR mini-golf game for an external client, and the mobile games Perfect Circle (100K+ downloads) and Utter Word.
- Integrated third-party SDKs: AdMob, Unity Ads, Firebase and in-app purchases.
- Took on the studio's UI/UX and graphic design work as its design needs grew, leading to the current role.
